	1991-92	119,270 acres	1,43,554 acres

(c) To assess the impact of IRDP the last concurrent evaluation of IRDP was undertaken in January-December, 1989. The evaluation study revealed that in 28 per cent cases, at the national level, the IRD beneficiaries were able to cross the poverty line of Rs. 6,400. For correct identification of families which constitute the target group of poverty alleviation programme, fresh household survey of families in each village has been taken up by States/UT as per instructions issued by this Ministry in November, 1991. With regard to JRY which aims at generating additional gainful employment for the unemployed and under-employed in the rural areas, the Ministry of Rural Development has undertaken a concurrent evaluation of this programme to assess its impact w.e.f. January, 1992. The evaluation study will be completed in December, 1992.

(d) No, Sir.

(e) Does not arise.
